A 25-year-old Palestinian woman was viciously beaten by Israeli settlers during their brutal attack today on a primary school near Jericho in the West Bank, and she had to be urgently evacuated to the hospital for treatment.

None of these settlers were arrested—they have the [Show more](#)

Judging by clothing, the settler could be the same as one of the attackers in the other video. Some kind of stick is also visible in his backpack.

I wasn't able to geolocate these photo's.

2 other pictures of the detained Palestinians were also posted there
