1/3 Today, a large-scale demolition took place in my community, Masafer Yatta. IOF forcibly displaced yet another family in the village of Al-Rifaiya, leaving them homeless. But it didn't stop there — they moved on to the nearby village of Al-Jawaya, next to my village Al-Tuwani

2/3 demolished an agricultural home and a livestock shelter that families depend on to survive.

This is not just destruction.

This is a deliberate policy of ethnic cleansing — a systematic attempt to erase us from our land and our lives.

3/3 Every home destroyed is a family shattered.

Every demolition is an act of violence.

And every silence is complicity.

We are here.

We will not be erased.

The world must see. The world must act.

...
